**GENERAL LETTER TO ALL CHAPTER OFFICERS**

Dear Brothers,

Welcome back to school and to what I am sure will be an exciting year for Delta Chi! I hope your summer afforded you some time to relax and to have planned ahead for a great year for your chapter.

I want to take this time to thank you for stepping up and serving not only your chapter but Delta Chi International as well. It has been an extreme pleasure and honor to have met and worked with some of you.

The real reason for this letter is to again remind everyone that as the "AA", I would like to hear from you as well as the other members of our chapters. I ran for this office to make sure that everyone, especially the undergraduates, knew that they had a direct link to Delta Chi International.

I have stated over the years that I allow my home phone to be called on a 24-hour basis. That policy is most definitely still in effect. I also receive phone calls at my office, just realize that I may not be able to talk for a long period of time.

E-mails are fine, but realize that with my travel schedule, sometimes I do not get the chance to check them every single day, so a telephone call is the fastest way to reach me. Having said all that, I am telling you that it is perfectly acceptable to contact me about or for anything. My philosophy is the only stupid question is the one that does not get asked.

My information is as follows. PLEASE SHARE IT WITH ALL CHAPTER MEMBERS.
